## Barcelona Tattoo Expo 2-4 Oct

Over the years tattoos have become a unique art form with their own individual culture. For three days this expo introduces more than 134 different exhibitors, tattoo workshops, competitions, art exhibitions and

seminars for artists and professionals. This year the expo has become even more multinational with exhibitions from distinguished professionals such as Tin-Tin (France), Boog (Mexico), Dimitri (France), George de Bardadim Tattoo Studio (Russia), and Chime (Tahiti). Noted performances will include Anna Torrent's femme fatal show and the Compañía de la Asociación de Danza Aérea y Teatro Físico with a colourful mixture of dance, theatre and acrobatics displays. Djs Àlex de Guirior and Mark C will be bringing chill out sets throughout the show.

Venue: La Farga de L'Hospitalet de Llobregat Tickets: €15 Web: [www.barcelonatattooconvention.com](http://www.barcelonatattooconvention.com)
